Tes Live Lesson with The Royal Mint Museum

Led by Amy Williams, Learning and Education Manager at The Royal Mint Museum, this lesson explores the history and heritage of coins around the world. You will learn about the design and production of coins and see the very first coins to feature King Charles III. With interactive activities and video clips of other children sharing their ideas, you will look at coins in a completely different way.

Tes Live Lesson with The Royal Horticultural Society

Visit RHS Harlow Carr Garden to explore the plants and how they are adapted to suit their environment. RHS Education Officers, Ruth and Janet, will lead you on an exciting journey of discovery by getting up close to the plants in two completely different environments: alpine and sub-tropical. Through activities, interviews and role play we'll investigate how the plants have adapted to these extreme environments and how that helps them survive and evolve.

Tes Live Lesson with Childnet

Led by online safety charity Childnet, this lesson explores the important topic of online bullying. You will be introduced to a series of scenarios and asked to think about what you would do in each one. Children from St Joseph's Catholic Primary School share their responses and Amy Lockwood, Education Manager at Childnet, shares some top tips and advice that we can all follow to help stop online bullying.

EYFS Book Talk

Act out the story— make sure you repeat the line “Run run as fast as you can, you can’t catch me I’m a gingerbread man!”

Can you build a bridge for the gingerbread man so that he can escape the fox?

Listen to the story ‘The Runaway Chapati’

<https://www.youtube.com/watch?v=NTzY1HdzJg>

Can you identify any similarities and differences with the gingerbread man?

The Gingerbread Man

You can watch a video of the story on the link below:

[Bedtime Stories | Mr Tumble reads The Gingerbread Man | CBeebies - YouTube](#)

Draw around yourself, a friend or a family member. Can you measure your body parts in hands or another object from your house?

Set up a cake shop — design your own Gingerbread men to sell.

Bake your own Gingerbread Men. Follow a recipe and use your weighing and measuring skills.

Year 1/2 Book Talk

Please listen to the story 'Grandad's Island' by Benji Davies and choose a linked activity from below to complete.

[Benji Davies reads Grandad's Island - YouTube](https://www.youtube.com/watch?v=K9_KC3s3IRw)

Science

Design a new ship for Grandad using different materials and test to see if it will float. How much cargo can it hold?

Forest School

Design a new shelter for Grandad and Syd to use on the island.

Geography

Imagine that you could travel on Grandad's ship. Use a map to plan the journey that you would take around the world.

English

- Retell the story.
- Write a description of Grandad's house.
- Write a new story about a secret that is hidden in the attic of a house.
- Write a letter that might be inside the envelope that Syd receives at the end of the story.

Grandad's Island by Benji Davies

Please choose two activities to complete from the grid.

Maths

Create word problems about the animals, e.g.

There are seven birds with two wings each. How many wings are there altogether?

Science

Make a Rainforest Habitat Shoebox

History

Find out about a famous explorer. Create a poster to share your findings.

Art

Syd and Grandad like exploring the island and painting the things that they see. Can you paint like Syd and Grandad?
